LB 996

only thing that we can really accomplish within the framework of how we must look at the veto agency by agency and program by program. So with that closing, Mr. President, I would hope that....I would ask for a Call of the House and when all the members are present, and I understand no one is excused, that we have a roll call vote, and let me also state that if this does not carry, I will then make each of the motions on each of the succeeding bills as instructed by the committee but with very limited comment so that we can expedite the proceedings.

SPEAKER MARVEL: Will all legislators please check in. We technically are under Call. Would you please check in? Senator Hoagland, Senator Kelly, Senator Labeledz, Senator Sieck, Senator Beutler. Senator Sieck, would you record your presence? Senator Warner, all are present.

CLERK: Mr. President, Senator Warner's motion is pursuant... to move pursuant to Rule 6, Section 14, that the Legislature override the Governor's line-item vetoes of: 1. The Department of Banking and Finance, Program 65, Enforcement of Standards- Financial Institutions and Small Loan Companies. 2. Department of Insurance, Program 69, Enforcement of Standards-Insurance, and Program 555, Examination of Insurance Companies. And 3. Nebraska Brand Committee, Program 75, Enforcement of Standards-Brand Inspection and Theft Prevention.

SPEAKER MARVEL: You are talking about the override, Senator Warner, in LB 996 of the three departments. Is that right? Banking, Insurance and the Brand Committee? Okay. All those in favor of....all in favor of overriding the Governor's veto vote aye, opposed vote no.

CLERK: He asked for a roll call.

SPEAKER MARVEL: I'm sorry. What?

CLERK: He asked for a roll call vote.

SPEAKER MARVEL: Oh, I beg your pardon. Well, clear the board. Yes, roll call vote. Call the roll. Senator Barrett, for what purpose do you rise?

SENATOR BARRETT: Mr. Speaker, I respectfully request that the roll call be reversed.

SPEAKER MARVEL: So ordered. Proceed.
